	aI	eI	ɔI	aU	oU
boy			X		
house				X	
I	X				
sew					X
loud				X	
say		X			
phone					X
high	X				
play		X			
soy			X		

7.

- bright bɹajt
- street stɪt
- school skul
- laughing læfɪŋ

8.

neat
sin
cinnamon
breath

Part III:

4. Italian

- I. (g) tingo and (h) tɛŋgo i and ε
(l) fango and (i) fuŋgo a and u
Overlapping distribution, evidence that {a and u}, {i and ε} are distinct phonemes
- II. Must list all environments in the form X_Y where [tɛŋgo] = ε_g
ŋ occurs before velar stops; n occurs elsewhere.
- III. Complementary. Allophones of one phoneme.
